Goalkeepers (pick 1)

Rank	Player	Country	Notes
1	Emiliano Martinez	ARG	WC22 Golden Glove. Penalty specialist. Argentina likely deep run
2	Mike Maignan	FRA	AC Milan. Top shot-stopper. France = clean sheet machine
3	Jordan Pickford	ENG	England conceded 0 goals in all of qualifying
4	Marc-Andre ter Stegen	GER	Barcelona. Elite distribution
5	Dominik Livakovic	CRO	WC22 penalty hero. Croatia defensive
6	Alisson	BRA	Liverpool. Best passing GK. Brazil should dominate group
7	Bart Verbruggen	NED	Brighton. Young, highly rated
8	Orjan Nyland	NOR	Sevilla. Norway well-organized under Solbakken

GK Note: Clean sheets (1pt each) are the main GK scorer. Prioritize keepers from strong defensive teams likely to go deep (France, England, Argentina). Historical GK points above only reflect cards — clean sheet data was unavailable.

Draft Strategy Cheat Sheet

Tip	Explanation
Cards = free points	YC/RC are +1 each. Physical players (Gyokeres 5YC, Sorloth 4YC+1RC, Dumfries, Montiel) are more valuable than in standard fantasy
Max 1 per country	Can't stack Argentina or France. Best combos: FRA forward + NOR mid, or ENG forward + FRA mid
Penalty takers	Haaland (NOR), Oyarzabal (ESP), Calhanoglu (TUR), Mbappe (FRA) — extra goal upside
New country sleepers	Norway, Sweden, Turkiye, Austria, Cote d'Ivoire have elite talent with no WC history to compare
Avoid	Neymar (injured), Perisic (37), Enner Valencia (36), Isak (injury-disrupted season)
Coach pick	France or Argentina for the 10pt winner bonus
